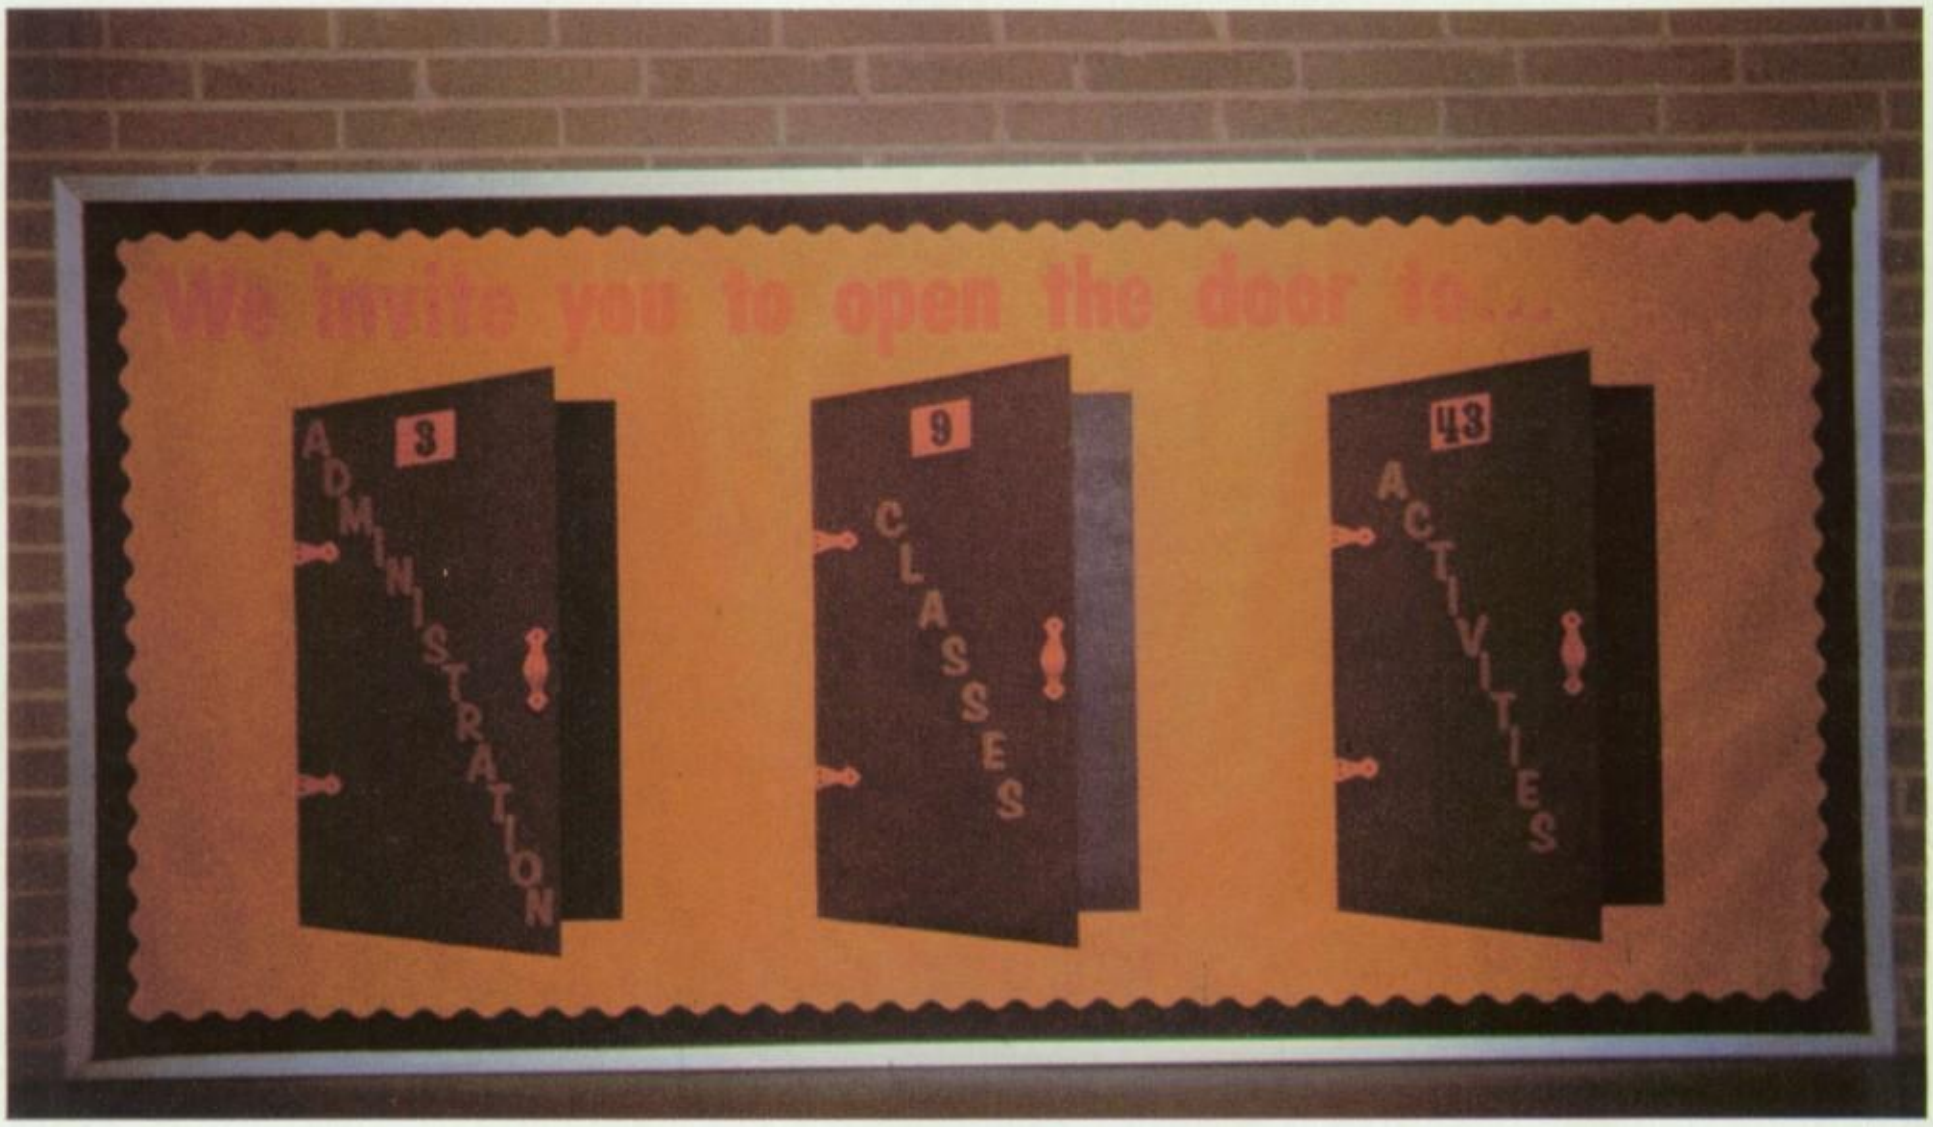
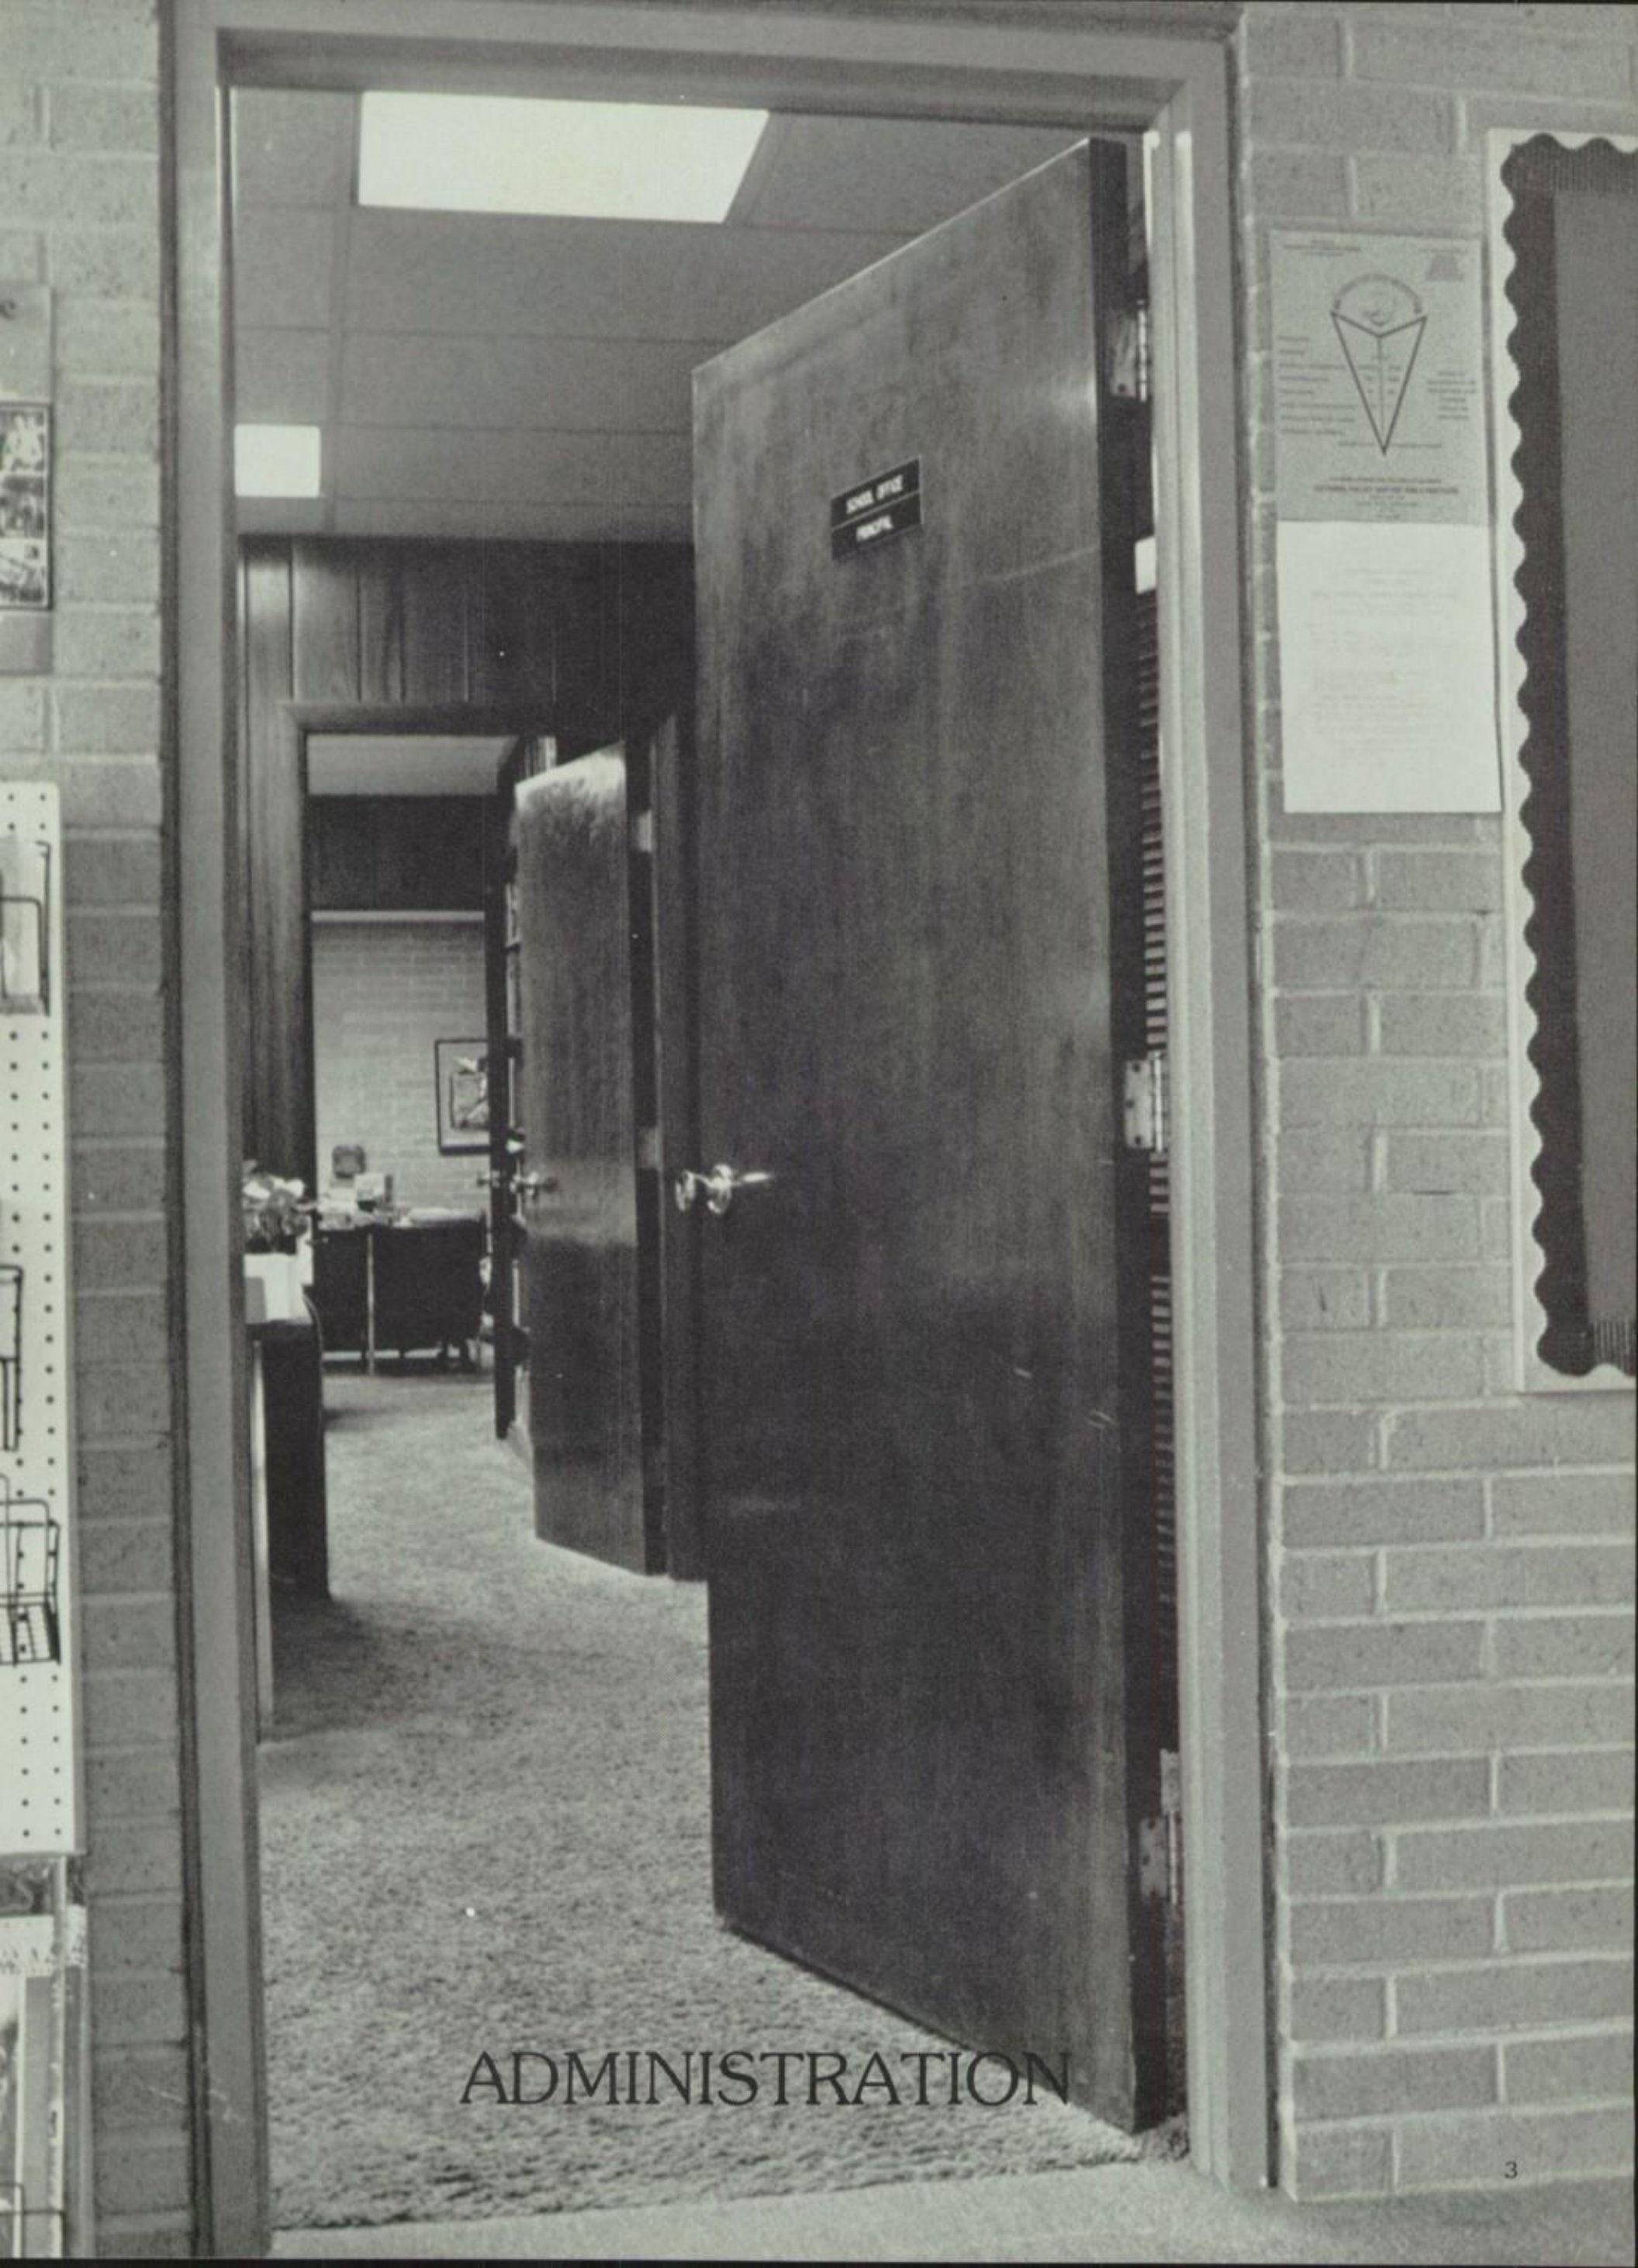
The 1980 TRUMPET



"I know thy works: behold, I have set before thee an open door, and no man can shut it: for thou hast a little strength, and hast kept My Word, and hast not denied My Name." Revelation 3:8

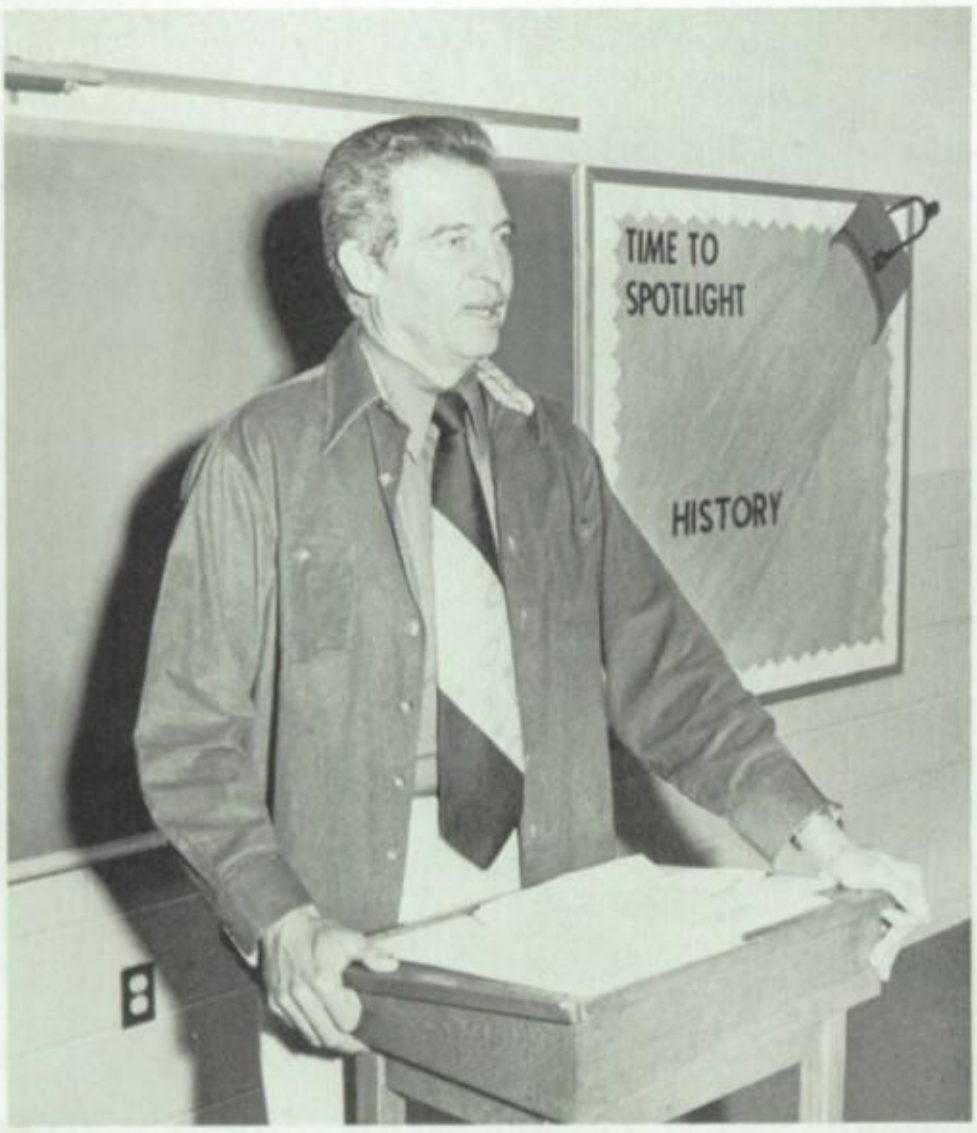
The Senior Class has chosen this verse as our theme because it emphasizes the step we take as we pass through the open door into the pathway of life which God has set before us. May we always reflect upon the truths we have learned at Tabernacle Christian School and apply them to our lives.

We hope that as you open the doors to "Administration," "Classes," and "Activities," you will be reminded of the events of this year and the many things you have learned.



ADMINISTRATION

DEDICATION



The TRUMPET staff has chosen to dedicate the 1980 TRUMPET to a talented man whose abilities are not restricted to the classroom. In addition to teaching, his talents include coaching, counseling, and supervising special activities.

In the classroom he has the ability to stimulate interest and impart understanding even in boring or difficult subjects. His appearance in a noisy classroom instantly brings order and silence. But his clever wit may inspire a burst of laughter a few minutes later. His coaching methods are always in the best interest of the team and demonstrate a high regard for sportsmanship.

We will always remember MR. LEE ROY KNOTT for the leadership, character, and friendship he has shown to all of us.
